

# Clients to vendors, binding to create oneness

## Binding the forces of success

Founded in 2004, Dbind Wire Products Pvt. Ltd. is a manufacturer of Double wire loops (twin wire loops) and polyamide coated wires in India. The seed for this was first sown with the owner's stint in manufacturing calendar binding material in 1996. With a product range that binds high quality standards and low costs, we firmly believe that we can change your definition of success with our constantly rising standards of excellence.

Our exclusive range of products is offered in more than 20 colours.

## Double wire loops

Dbind has one of the large capacity of double wireloops. We maintain a year round stock of all sizes, providing ease of operations to our customers. We manufacture double wire loops on high speed german machine, hence they are suitable for automatic binding. We can also provide material suitable for manual binding.

### We have largest capacity to producing double loop wires.

Size of Double wire Loop	Pitch	Loop/ Spool	Approx. Thickness of book max
1/4" (6.4 mm)	3:1	85,000	4.4 mm
5/16" (7.9 mm)		60,000	5.9 mm
3/8" (9.5 mm)		45,000	7.5 mm
7/16" (11.1 mm)		33,000	9.1 mm
1/2" (12.7 mm)		26,000	10.7 mm
9/16" (14.3 mm)	2:1	20,000	12.3 mm
1/2" (12.7 mm)		18,000	10.7 mm
9/16" (14.3 mm)		15,000	12.3 mm
5/8" (15.9 mm)		11,000	13.9 mm
3/4" (19.0 mm)		8,000	17mm
7/8" (22.2 mm)		6,000	20.2 mm
1" (25.4 mm)		4,200	23.3 mm
1 1/4" (32 mm)	2,500	30 mm	

Note: No of Loops per spool may change without any prior information

Customised wire colours can be supplied according to pantone shade in case if quality is large "

Please visit our Website for further help in calculating size of spiral wire and double wire loops for your requirement.

### • Double Wire Loops

### • Womako Machine

### • Cut pieces - double wire loops

### • Notebook spiral

### • Calendar hangers

### • Wire spool stock

### Uses

- Calendars • Yearbooks • Journal • Professional documents

## Nylon-coated hangers for wall calendar

Nylon-coated hangers keep a wall calendar intact by providing the required strength to firmly hold its constituents together. Six different types available

Note:

- Diameter of wire is 2mm
- In addition to those sizes, we can also supply hangers as per customer's requirements
- Standard Colours : Black, White and Steel Finish

Length Inches(mm)	Length Inches(mm)
3.5" ( 90 mm )	12" ( 300 mm )
4" ( 100 mm )	14" ( 350 mm )
5" (125 mm )	16" ( 400 mm )
6" (150 mm )	17" ( 425 mm )
8" (200 mm )	18" ( 450 mm )
10" (250 mm )	19" ( 475 mm )

## Nylon-coated wires

Made from a qualitative range of raw materials, Dbind Wire Products Pvt. Ltd. is the pioneer manufacturer of nylon-coated wires in India.

### Uses:

- Double wire loops
- Calendar hangers
- Notebook spiral
- U clips
- Hook and eye for garments
- Hair pins

### Packing Types:

1. 400-500 kg Bi-conical bobbins
2. 10-15 kg plastic bobbins
3. 40-45 kg plastic bobbins
4. 20-30 kg coils

## GI wires for notebook spiral

GI wires have strong resistance to rust, and their agility helps maximize productivity and reduce wastage.

### Uses:

- Notebook spiral
- Automatic inline stitching machine

### Packing Types:

1. 400-500 kg Bi-conical bobbins
2. Coils of 1.6 kg, 2 Kg
3. Plastic bobbins of 2 to 15 kg.
4. Any other packing available on request

Coated wire	Tensile strength (N/ mm <sup>2</sup> )			Tensile strength (kg/mm <sup>2</sup> )		
	Dia in mm	Min	Mix	Ideal	Min	Mix
0.70	725	825	775	75	85	80
0.80	725	825	775	75	85	80
0.90	725	825	775	75	85	80
1.00	700	800	750	72	82	77
1.10	675	775	775	69	80	75
1.20	650	750	700	67	77	72
1.30	625	725	625	64	75	69
2.00	475	575	500	49	54	52

Note: Dimensional Tolerance + 0.02 mm

• Nylon coated wires

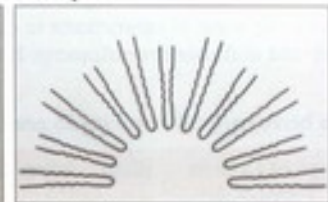

• Metal spiral

• Hook and Eye for garments

• Hair pins

## Nature for the future generations

As responsible citizens of planet Earth, we strongly emphasize the importance of safe keeping the environment and preserving natural resources for the future generations. We, at Dbind Wire Products Pvt. Ltd., exercise strict norms of manufacturing to uphold the following promises:

- Non-pollution of air, water and soil
- Acid-free product treatments
- Zero pollutant discharge
- No animal fats used in the processing 
- Lead-free colours
- Contain no heavy metals (Safe for Exports)

## At Dbind Wire Products Pvt. Ltd.

We bind to create oneness across the world.
